VG: VEGAN V: VEGETARIAN

If you have any food allergies or intolerances, please let your server know before ordering. VG - Suitable for vegans. V - Suitable for vegetarians. Please check full dietary information each time you visit our restaurant as from time-to-time ingredients may change. Calorie information is calculated using typical values and measures. Calories (kcal) are detailed per serving, all servings are for one unless stated otherwise. A typical adult needs around 2000 kcal a day. All our beef burgers are cooked medium unless specifically requested otherwise. Burgers cooked medium rare carry a higher risk of food poisoning. Unlike a steak, a burger needs to be cooked through to reduce that risk. The Food Standards Agency recommends that children, pregnant women and anyone with a weaker immune system have their burgers well done.
